## § 611.3

(d) A debtor who receives a Notice of Intent has the right to present evidence that all or part of the debt is not past-due or not legally enforceable. To exercise this right, the debtor must:

(1) Send a written request for a review of the evidence to the address provided in the notice.

(2) State in the request the amount disputed and the reasons why the debtor believes that the debt is not past-due or is not legally enforceable.

(3) Include with the request any documents which the debtor wishes to be considered or state that additional information will be submitted within the remainder of the 60-day period.

(e) The failure of a debtor to respond as provided in paragraph (d) of this section will result in an automatic referral of the debt to the IRS without further action by NSF. If the debtor responds, NSF will consider all available evidence related to the debt and issue a written determination, including supporting rationale, whether its prior determination that the debt is past-due and legally enforceable is sustained, amended, or canceled. Before this determination is made the matter shall be referred to the NSF Office of General Counsel for legal review. NSF will give prompt notification of this determination to the debtor.

APPENDIX A TO PART 611

AUTHORITY: Sec. 11(a), National Science Foundation Act of 1950, as amended, 42 U.S.C. 1870(a); 42 U.S.C. 2000d-1.

SOURCE: 29 FR 16305, Dec. 4, 1964, unless otherwise noted.

#### §611.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as the "Act") to the end that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the National Science Foundation.

#### §611.2 Application of part.

This part applies to any program for which Federal financial assistance is authorized under a law administered by the Foundation, including the Federally-assisted programs and activities listed in Appendix A of this part. It applies to money paid, property transferred, or other Federal financial assistance extended under any such program after the effective date of the regulation pursuant to an application approved prior to such effective date. This part does not apply to (a) any Federal financial assistance by way of insurance or guaranty contract, (b) money paid, property transferred, or other assistance extended under any such program before the effective date of this part, (c) any assistance to any individual who is the ultimate beneficiary under any such program, or (d) any employment practice, under any such program, of any employer, employment agency, or labor organization, except to the extent described in §611.3. The fact that a program or activity is not listed in the Appendix shall not mean, if title VI of the Act is otherwise applicable, that such program is not covered. Other programs under statutes now in force or hereafter enacted may be added to this list by notice published in the FEDERAL REGISTER.

#### §611.3 Discrimination prohibited.

(a) *General.* No person in the United States, shall, on grounds of race, color,

or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.

(b) *Specific discriminatory actions prohibited.* (1) A recipient under any program to which this part applies may not directly or through contractual or other arrangements, on the ground of race, color, or national origin:

(i) Deny an individual any service, financial aid, or other benefit provided under the program;

(ii) Provide any service, financial aid, or other benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject an individual to segregation or separate treatment in any matter related to his receipt of any service, financial aid, or other benefit under the program;

(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;

(v) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit provided under the program;

(vi) Deny an individual an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program of an employee but only to the extent set forth in paragraph (c) of this section).

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to be afforded an opportunity to participate in any such program, may not directly

or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respects individuals of a particular race, color, or national origin.

(3) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this regulation applies, on the grounds of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this regulation.

(4) As used in this section the services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph and paragraph (c) of this section does not limit the generality of the prohibition in paragraph (a) of this section.

(6) This regulation does not prohibit the consideration of race, color, or national origin if the purpose and effect are to remove or overcome the consequences of practices or impediments which have restricted the availability of, or participation in, the program or activity receiving Federal financial assistance, on the grounds of race, color, or national origin. Where previous discriminatory practice or usage tends, on the grounds of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity to which this regulation applies the applicant or recipient has an obligation to take reasonable action to remove or overcome the consequences of the prior

## National Science Foundation

## § 611.4

discriminatory practice or usage, and to accomplish the purposes of the Act.

(c) *Employment practices.* (1) Where a primary objective of the Federal financial assistance to a program to which this part applies is to provide employment, a recipient may not directly or through contractual or other arrangements subject an individual to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruitment or recruitment advertising, employment, layoff or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation and use of facilities), including programs where a primary objective of the Federal financial assistance is (i) to assist such individuals through employment to meet expenses incident to the commencement or continuation of their education or training or (ii) to provide work experience which contributes to the education or training of such individuals.

(2) Programs listed in Appendix A as respects employment opportunities provided thereunder, or in facilities provided thereunder, which are limited, or for which preference is given, to students, fellows, or other persons, including research associates, where in training for the same or related employments, have one of the above purposes as a primary purpose.

(3) The requirements applicable to construction employment under any such program shall be those specified in or pursuant to part III of Executive Order 11246 or any Executive order which supersedes it.

(4) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the grounds of race, color, or national origin in the employment practices of the recipient or other persons subject to the regulation tends, on the grounds of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this regulation applies, the provisions of paragraph (c)(3) of this section shall apply to the employment practices of the recipient or other persons subject to the regulation, to the extent nec-

essary to assure equality of opportunity to, and nondiscriminatory treatment of, beneficiaries.

(d) *Medical emergencies.* Notwithstanding the foregoing provisions of this section, a recipient of Federal financial assistance shall not be deemed to have failed to comply with paragraph (a) of this section if immediate provision of a service or other benefit to an individual is necessary to prevent his death or serious impairment of his health, and such service or other benefit cannot be provided except by or through a medical institution which refuses or fails to comply with paragraph (a) of this section.

[29 FR 16305, Dec. 4, 1964, as amended at 38 FR 17985, July 5, 1973]

### § 611.4 Assurances required.

(a) *General.* (1) Every application for Federal financial assistance to carry out a program to which this part applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein or structures thereon, the assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services and benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the recipient for the period during which Federal Financial assistance is extended pursuant to the application. The responsible Foundation official shall specify the form of the foregoing assurances for each program and the extent to which like assurances will be required of subgrantees, contractors

and subcontractors, successors in interest, and other participants in the program. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) In the case where Federal financial assistance is provided in the form of a transfer of real property, structures, or improvements thereon, or interest therein, from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where no transfer of property or interest therein from the Federal Government is involved, but property is acquired or improved under a program of Federal financial assistance, the recipient shall agree to include such covenant in any subsequent transfer of such property. When the property is obtained from the Federal Government, such covenant may also include a condition coupled with a right to be reserved by the Foundation to revert title to the property in the event of a breach of the covenant where, in the discretion of the responsible Foundation official, such a condition and right of reverter is appropriate to the program under which the real property is obtained and to the nature of the grant and the grantee. In such event if a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on such property for the purposes for which the property was transferred, the responsible Foundation official may agree, upon request of the transferee and if necessary to accomplish such financing, and upon such conditions as he deems appropriate, to subordinate such right of reversion to the lien of such mortgage or other encumbrance.

(3) Transfers of surplus property are subject to regulations issued by the Administrator of the General Services Administration. (41 CFR 101-6.2.)

(b) *Elementary and secondary schools.* The requirements of paragraph (a) of this section with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system which the responsible Official of the Department of Health, Education, and Welfare determines is adequate to accomplish the purposes of the Act and this part, and provides reasonable assurance that it will carry out such plan. In any case of continuing Federal financial assistance the responsible Official of the Department of Health, Education, and Welfare may reserve the right to redetermine, after such period as may be specified by him, the adequacy of the plan to accomplish the purposes of the Act and this part. In any case in which a final order of a court of the United States for the desegregation of such school or school system is entered after submission of such a plan, such plan shall be revised to conform to such final order, including any future modification of such order.

(c) *Assurances from institutions.* (1) In the case of any application for Federal financial assistance to an institution of higher education (including assistance for construction, for research for a special training project, or for any other purpose), the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education, hospital, or any other institution, insofar as the assurance relates to the institution's practices with respect to admission or other treatment of individuals as students, patients, or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such individuals, shall be applicable to the entire institution unless the applicant establishes, to the satisfaction of the responsible Foundation official, that the

## National Science Foundation

## § 611.5

institution's practices in designated parts or programs of the institution will in no way affect its practices in the program of the institution for which Federal financial assistance is sought, or the beneficiaries of or participants in such program. If in any such case the assistance sought is for the construction of a facility or part of a facility, the assurance shall in any event extend to the entire facility and to facilities operated in connection therewith.

[29 FR 16305, Dec. 4, 1964, as amended at 38 FR 17985, July 5, 1973]

### § 611.5 Illustrative applications.

The following examples will illustrate the application of the foregoing provisions to some of the programs of the Foundation. (In all cases the discrimination prohibited is discrimination on the ground of race, color, or national origin prohibited by title VI of the Act and this part, as a condition of the receipt of Federal financial assistance.)

1. In programs for support to elementary or secondary schools such as for the acquisition of equipment discrimination by the recipient school district in any of its elementary or secondary schools, or by the recipient private institution, in the admission of students, or in the treatment of its students in any aspect of the educational process, is prohibited. In this and the following illustration the prohibition of discrimination in the treatment of students or other trainees includes the prohibition of discrimination among the students or trainees in the availability or use of any academic, dormitory, eating, recreational, or other facilities of the grantee or other recipient.

2. In a research, training, or other grant to a university for activities to be conducted in a graduate school, discrimination in the admission and treatment of students in the graduate school is prohibited, and the prohibition extends to the entire university unless it satisfies the responsible Foundation official that practices with respect to other parts or programs of the university will not interfere, directly or indirectly, with fulfillment of the assurance required with respect to the graduate school.

3. In a training grant to a hospital or other nonacademic institution, discrimination is prohibited in the selection of individuals to be trained and in their treatment by the grantee during their training. In a research or demonstration grant to such an institution, discrimination is prohibited with re-

spect to any educational activity, any provision of medical or other services and any financial aid to individuals incident to the program.

4. In grant programs to assist in the construction of facilities for research or for the provision of educational services, assurances will be required that services will be provided without discrimination, to the same extent that discrimination would be prohibited as a condition of Federal operating grants for the support of such services. Thus, as a condition of grants for the construction of academic, research, or other facilities at institutions of higher education, assurances will be required that there will be no discrimination in the admission or treatment of students. In other construction grants the assurances required will similarly be adapted to the nature of the activities to be conducted in the facilities for construction of which the grants have been authorized by Congress.

5. Upon transfers of real or personal property for research or educational uses, discrimination is prohibited to the same extent as in the case of grants for the construction of facilities or the provision of equipment for like purposes.

6. In some situations even though past discriminatory practices have been abandoned, the consequences of such practices continue to impede the full availability of a benefit. If the efforts required of the applicant or recipient under § 611.6(d) to provide information as to the availability of the program or activity, and the rights of beneficiaries under this regulation, have failed to overcome these consequences, it will become necessary for such applicant or recipient to take additional steps to make the benefits fully available to racial and nationality groups previously subjected to discrimination. This action might take the form, for example, of special arrangements for obtaining referrals which will insure that groups previously subjected to discrimination are adequately served but not the establishment of discriminatory qualifications for participation in any program.

7. Even though an applicant or recipient has never used discriminatory policies, the services and benefits of the program or activity it administers may not in fact be equally available to some racial or nationality groups. In such circumstances an applicant or recipient may properly give special consideration to race, color, or national origin to make the benefits of its program more widely available to such groups, not then being adequately served. For example, where a university is not adequately serving members of a particular racial or nationality group, it may establish special recruitment policies to make its program better known and more readily available to such group.

## § 611.6

and take other steps to provide that group with more adequate service.

### § 611.6 Compliance information.

(a) *Cooperation and assistance.* The responsible Foundation official shall, to the fullest extent practicable, seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the responsible Foundation official timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the responsible Foundation official may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part. In the case of any program under which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part.

(c) *Access to sources of information.* Each recipient shall permit access by the responsible Foundation official or his designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program under which the recipient receives Federal financial assistance, and make such information available to

## 45 CFR Ch. VI (10–1–96 Edition)

them in such manner, as the responsible Foundation official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part.

(Approved by the Office of Management and Budget under control number 3145–0087)

[29 FR 16305, Dec. 4, 1964, as amended at 49 FR 37595, Sept. 25, 1984]

### § 611.7 Conduct of investigations.

(a) *Periodic compliance reviews.* The responsible Foundation official shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) *Complaints.* Any person who believes himself or any specific class of individuals to be subjected to discrimination prohibited by this part may by himself or by a representative file with the responsible Foundation official a written complaint. A complaint must be filed not later than 90 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Foundation official.

(c) *Investigations.* The responsible Foundation official will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this regulation, the responsible Foundation official will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 611.8.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section the responsible Foundation official will so inform the recipient and the complainant, if any, in writing.

(e) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or this part, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

**§611.8 Procedure for effecting compliance.**

(a) *General.* If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with §611.4.* If an applicant fails or refuses to furnish an assurance required under §611.4 or otherwise fails to comply with that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Foundation shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such subsection, except that the Foundation shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until:

(1) The responsible Foundation official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means,

(2) There has been an express finding on the record, after opportunity for hearings, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part,

(3) The action has been approved by the Director pursuant to §611.10(e) and

(4) The expiration of thirty days after the Director has filed with the Committee of the House and the Committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action.

Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Foundation official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least ten days from the mailing of such notice to the recipient or other person. During this period of at least ten days additional efforts shall be made to persuade the recipient or other person to comply with this part and to take such corrective action as may be appropriate.

[29 FR 16305, Dec. 4, 1964, as amended at 38 FR 17985, July 5, 1973; 51 FR 22938, June 24, 1986]

**§ 611.9 Hearings.**

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 611.8(b), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than twenty days after the date of such notice within which the applicant or recipient may request of the responsible Foundation official that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 611.8(c) and consent to the making of a decision on the basis of such information as is available.

(b) *Time and place of hearing.* Hearings shall be held at the offices of the Foundation in Arlington, VA, at a time fixed by the responsible Foundation official unless he determines that the convenience of the applicant or recipient or of the Foundation requires that another place be selected. Hearings shall be held before the responsible Foundation official or, at the discretion of the Director, a hearing examiner designated in accordance with 5 U.S.C. 3105 and 3344.

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient and the Foundation shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554

through 557, and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Foundation and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings.* In cases in which the same or related facts are asserted to constitute noncompliance with this part with respect to two or more programs to which this part applies or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under title VI of the Act, the Director may, by agreement with such other departments or agencies, where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedure not inconsistent with this part. Final decisions in such cases, insofar as this part

## National Science Foundation

## § 611.10

is concerned, shall be made in accordance with § 611.10.

[29 FR 16305, Dec. 4, 1964, as amended at 38 FR 17985, July 5, 1973; 59 FR 37437, July 22, 1994]

### § 611.10 Decisions and notices.

(a) *Decision by a person or persons other than the responsible Foundation official.* If the hearing is held by a hearing examiner, such hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including recommended findings and proposed decision to the responsible Foundation official for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient. Where the initial decision is made by the hearing examiner, the applicant or recipient may within 30 days of the mailing of such notice of initial decision file with the responsible Foundation official his exceptions to the initial decision, with his reasons therefor. In the absence of exceptions, the responsible Foundation official may on his own motion within 45 days after the initial decision serve on the applicant or recipient a notice that he will review the decision. Upon the filing of such exceptions or of such notice of review the responsible Foundation official shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the responsible Foundation official.

(b) *Decisions on record or review by the responsible Foundation official.* Whenever, after hearing, a record is certified to the responsible Foundation official for decision or he reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or whenever the responsible Foundation official conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with him briefs or other written statements of its contentions, and a copy of the final decision of the responsible Foundation official shall be given in writing to the applicant or recipient, and to the complainant, if any.

(c) *Decisions on record where a hearing is waived.* Whenever a hearing is waived

pursuant to § 611.9(a), a decision shall be made by the responsible Foundation official on the record and a copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) *Rulings required.* Each decision of a hearing officer, panel, or responsible Foundation official shall set forth the ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) *Approval by Director.* Any final decision of a responsible Foundation official (other than the Director) which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part or the Act, shall promptly be transmitted to the Director who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, under the program involved, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance will thereafter be extended under such program to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies the responsible Foundation official that it will fully comply with this part.

(g) *Posttermination proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this regulation and provides reasonable assurance that
